**RE:** Resolution No. 39: Acceptance of the Washington State Auditor's Office

Accountability Report for the Period January 1, 2018 through December 31, 2020

The Washington State Auditor's Office issued Accountability Audit Report No.1030345 for Moving King County Residents Forward (MKCRF) on April 21, 2022. The audit covers the period from January 1, 2018 through December 31, 2020. A separate financial statement audit is not required as MKCRF is deemed low risk due to its inclusion as a blended component unit in KCHA's annual financial statements.

In the Accountability Audit Report, the auditors found that MKCRF had complied with all state laws and regulations and its own policies and procedures. It also found that internal controls were adequate to safeguard public assets.

There were no negative findings in the report.

An exit conference with the SAO took place on April 14, 2022 and was attended by Director Stewart and several staff members. The SAO expressed their appreciation for the responsiveness of staff toward the SAO audit staff.

When the Board formally accepts the SAO report via resolution, this signifies the Board's review and approval of the information contained within the report.

RE: Fourth quarter 2021 Financial Reports for Moving King County Residents Forward

(MKCRF) and MKCRF-Owned Properties

#### **EXECUTIVE SUMMARY**

Throughout 2021, the MKCRF-owned Properties (the Properties) generated cash flow sufficient to make all required debt service payments, fully fund replacement reserves, and complete the interior upgrade of 16 units using KCHA's internal unit upgrade crews.

### FINANCIAL REPORTS

Attached are year-end unaudited financial reports for 2021:

- Statement of Financial Position for the Properties that reflects their short-term assets and liabilities
- Statement of Financial Position for the non-profit Moving King County Residents Forward that reflects its long-term assets and liabilities, primarily the apartment complexes and related debt
- Cash Reconciliation report for the Properties that reflects their operating income, expenses, and other cash expenditures
- Cash Reconciliation report for the non-profit Moving King County Residents Forward that reflects its minor operating income and expenses

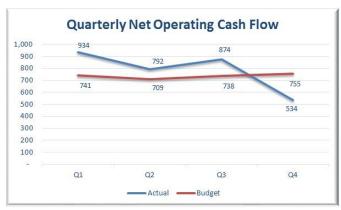

### KCHA OPERATIONS OF THE PROPERTIES

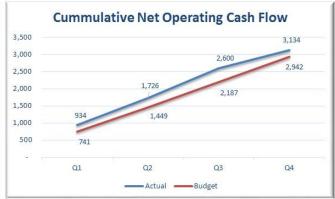

Operating income for 2021 was greater than budget projections by \$239,000, or 2.6%, due to an increase in tenant revenue. Operating expenses were close to budget, exceeding projections by \$42,000, or less than 1%.

During the fourth quarter, the Properties generated net operating cash flow of \$534,000 after required debt service payments and additions to replacement reserves, coming in under budget for the quarter. A decline was expected as various maintenance projects were completed late in the year. Total net operating cash flow for 2021 was \$3.1 million, exceeding the \$2.9 million budget for the year.

| Operating Revenues                | \$9,541,647   |
|-----------------------------------|---------------|
| Operating Expenses                | (\$4,725,815) |
| Debt Service                      | (\$1,552,979) |
| Transfers to Replacement Reserves | (\$129,195)   |
|                                   |               |
| Net Operating Cash Flow           | \$3,133,657   |

The graphs on the next page depict quarterly and cumulative budget versus actual net operating cash flow.

### Cash Balances

The MKCRF operating fund reflected an unrestricted cash balance in the amount of \$58,000 at year-end, while the capital fund was reflecting a negative balance in the amount of \$455,000. The total cash balance of \$884,000 included \$1.2 million in replacement reserves and \$80,000 in security deposits. It is expected MKCRF operations will have sufficient cash flow during the first quarter of 2022 to transfer funds to cover the deficit in the capital fund.

### Rent Arrearages

Delinquencies outstanding by more than 90 days for MKCRF properties have grown significantly over the course of the pandemic. Past-due balances totaled \$212,000 at the end of the year, which is up 3 times from the end of 2020, and 9 times from the end of 2019. Some of these balances will be eligible for the Eviction Prevention Rental Assistance Program (EPRAP) funds. However, a loss reserve of \$106,000 was established at the end of the year and will be reviewed at as EPRAP funds are received.

### Capital Projects

Capital project expenditures exceeded budget projections in 2021 by \$460,000, or 25.8%. Several projects originally planned to be completed in 2020 were delayed to 2021 due to the pandemic. This has resulted in higher than budget expenditures for 2021.

Unit upgrades and other special projects are higher than budget by \$98,000. KCHA's internal unit upgrade crews rehabilitated the interiors of sixteen standard units, although only twelve were included in the 2021 budget. Unit upgrades are dependent on unit availability.

Since the transfer of the Properties from KCHA to MKCRF in 2012, 216 units have been upgraded by KCHA's in-house unit upgrade crew. A total of 428 units (84.1%) have been upgraded since the inception of the upgrade program in 2006.

### OPERATIONS OF MOVING KING COUNTY RESIDENTS FORWARD

MKCRF had only \$1,879 in administrative expenses throughout 2021. All required monthly debt service payments to KCHA were made.
